

PUBLIC NOTICE
to the Shareholders and Directors
of
Gunns Limited, Tasmania

As a result of proposed or existing clear felling and plantations on the Karst catchments of the Lobster and Mole Creek Rivulets, "The Western Rivers Preservation Trust" places the above on notice that we are monitoring the water for siltation and contamination by herbicides and pesticides. This water supplies the villages of Chudleigh and Mole Creek, it will be tested by Authorities outside the State of Tasmania and the results forwarded to the relevant Public Liability Insurer.

Mr R Loone, T: 03 6363 6190
President, The Western Rivers Preservation Trust
Deputy Mayor, Meander Valley Council, Tasmania
